### 11310CS460200 Group 23 Meeting Minutes

Topic	Progress Report
Place	Discord Voice Chat
Agenda	Discuss deadline for model training & progress report
In attendance	All present
Task Assigned	游松澤: collecting starting pitcher datasets 曾柏勳: collecting closer pitcher datasets 蕭以勝, 楊立慈, 賴允中: model design
Next meeting	<u>Date</u> : 11/26 <u>Time</u> : 8:00 ~ 9:00 pm <u>Objective</u> : Keep working on phase3 <u>Location</u> : Discord Voice Chat

## Meeting Summary:

1. Since the model training team were busy last week, so we decided to finish phase 3 before next week.
2. Since the data collecting team doesn't know that if they need more other datas, we also collect other pitchers' dataset.

3. We get some great idea from the nvidia deep learning lab. With pyTorch, I think we can make our life much more easier.
4. We aim to gather more relevant data to enhance the integrity and comprehensiveness.
